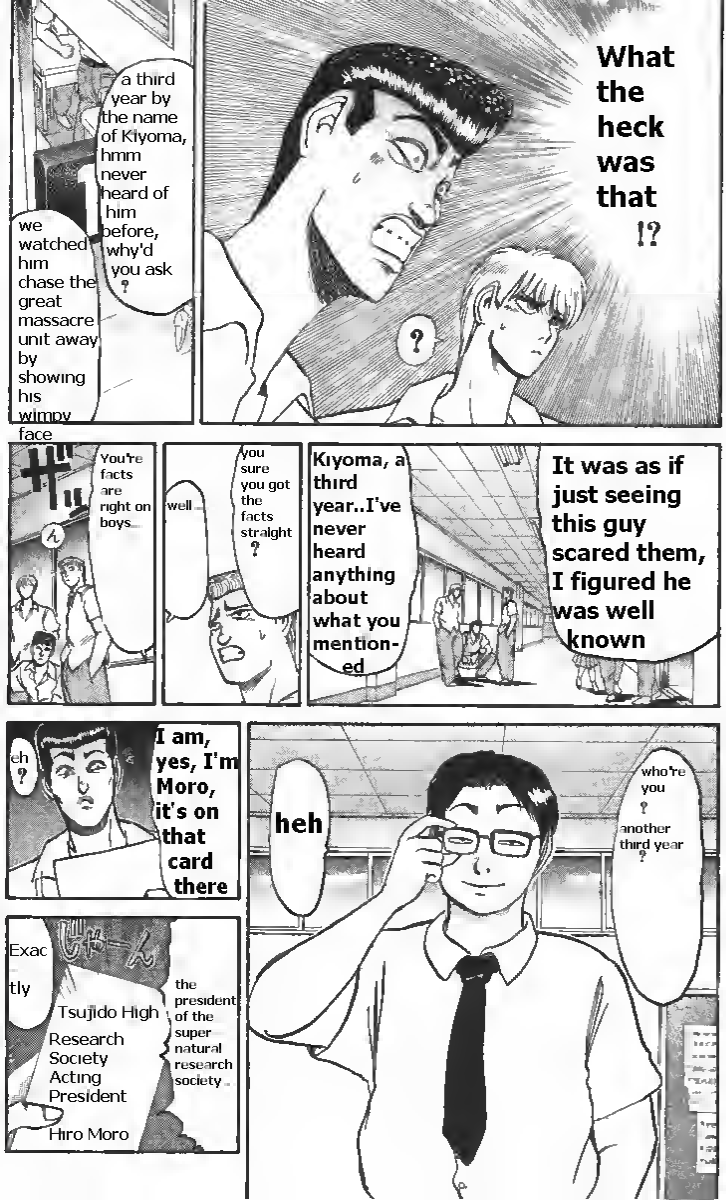
## 第108話 KIYOMA THE PSYCHIC

teach, look
Tell me why you are making such a scene in front our school !!
Don't even look that way! you must want to get smashed !!
Oi, isn't that a Massacre unit sticker on that guy's bike?
you, get Makoto for m
uh
!
O-oi, no violence please
I'm talking to you !!
have you got some kind of problem !?
Hey teach-er
huhh !?
you want a fight, how about with me !?
that's our teacher and this is our school, shit head

eh ?
Oi, I don't recall giving permission for this
You won't be doing a thing !!
Do you wanna get killed or something !?
!!
you must be joking you must have heard of Kiyoma before
as in THAT Kiyoma ?
eh ?
eh, who's this now ?
Kiyoma a friend ?
Hurry and break it up before I get mad
I'm asking you all who gave you permission for this commotion
Kiyo-ma-no !!
. . . .
y-y-you're Kiyo-ma-kun...

what was that wind?
What !?
!
Or ?
maybe you wanna continue fighting, with ME this time ?
oi, first years, that goes for you too
why run away so fast from this wimp ?
I don't get it !
a monster !!
yes
any-time you want some, you've got it
shit
oi oi?
Ha, I'll let you escape today, but remem-ber this ...
what the...
eheh , cya later guys
any-time you want a fight, I'm happy to brawl



What the heck was that !?
?
a third year by the name of Kiyoma, hmm never heard of him before, why'd you ask ?
we watched him chase the great massacre unit away by showing his wimpy face
It was as if just seeing this guy scared them, I figured he was well known
Kiyoma, a third year..I've never heard anything about what you mention-ed
you sure you got the facts stralght ?
well...
You're facts are right on boys...
I am, yes, I'm Moro, it's on that card there
eh ?
heh
who're you ? another third year ?
the president of the super natural research society...
Tsujido High Research Society Acting President
Hiro Moro
Exac tly

You see, Kiyomi has such supernatural abilities
pheno-menom
?
indeed
However, don't let the supernatural part mislead you, we're a group dedicated to the exploration and scientifics of phenomenom outside of the laws of physics
And a strong one at that
But, Kiyoma is indeed a psychic
now..
No, it's true !!
You're screwing with us, I know it, I should pound your face
Shh, not so loud, we don't want other people knowing
haaa?
Powers as in ESP ?
coin-cidence, really ?
Could be a coin-cidence you know
That was simply the first of his powers I observed
within a week, they were all in hospital from various incidents, and the cause was unclear
In junior high, a bunch of guys thought it would be a good idea to target an outcast,
I doubted it at first too, but then I saw it
For a long time, lots of strange things have happened around that boy
THEN

A girl who tore up a love letter of his and the friends who laughed along, also dead
The neighbours dog that bit him died mysteriously
yes, but not just that, the second year who slashed her own wrist, too
but, does that mean ?
After the first time, there were several amazing occurences around him
Powers, as in he's magic !?
!!
her suicide seems to be Kiyoma's handy-work too
"Now you've gone too far"
In reply, Kiyoma just said one sentence to her, under his breath
SHOULD. But japanese law doesn't take para normal rumors into account, it was only known that the girl doused Kiyoma with water before the incident
with that, he should be arrested

If you value your lives, that is..
I'd strongly urge you not to make that same mistake
It seems that way, she made him angry
because of something so harmless as splashing water on him
!?
Let's witness the power for ourselves
oh well, shame for him..
I don't blame you, humans almost always say that the things they don't understand are coincidence
but for you boys
I'm over these fairy tales, see you guys later
All ghost talk I reckon, how could you come up with that from some common incidents
!?
ok..

there he is, there's some-thing not right about him don't you think ?
hm.. nah, not at all..
he looks normal to me
no! don't get so close to him!
it's best to be outside a 5 m radius..
you're not scared ?
ok, quit laying it on so thick already
I'm not, you have to believe me !!
ha ha ha
then what happ ened..
KYA AAA AAA AAA AAA AAA where did that wind come from !?

"that can't be right"
every -one says this at first...
exact -tly, this is what I've been say- ing
weird.. he said white, does that mean .....
!?
heh, white ..
Well, I'll squash you into shit
oi, don't
so you're the brat Kiyoma, huh, the one who goes around preten ding he knows voodoo
but no doubt you can see it's more now..
"coinci- dence" is such a handy term, that you used
the real power
?
once you have seen the real power in action
don't be stupid
you cocky son of a bitch!
you will stay alive if you do that
I would back away if I were you
?

!!
Gaaah, what the heck is this !?
my shirt buttons !?
what !?
y-yes kiyoma-sama I-I'm sorry
don't make me do more
get lost small fry !!
his great power..
you see now right
a real life super-natural psychic! we should get him to teach us magic
this guy's genu-ine..
It's just like magic, no kidding

ok, now you will introduce us yeah?
of course, and you boys will protect me from bad types —as— you said...
protect -ing you is a cheap price to pay for this, hehe
if he teaches me, I'll make use of the powers to see panties all day long and to make them spread their legs and do other stuff, this'll be fun
y-yes, but it's not totally easy
oi, look out below !!
the girders
!?
what ?
eh ?
check it out, up there
!!

no way, dead !?
we need an ambu-lence you know
it can't be true, that poor boy..
ドッカーン
第一
全
tch, clu msy fools
PAT
PAT
!?
what ?
It was a total miracle he survived
that scared me, I thought I'd see him die
phew
thank god
im fine idiot
you, are you ok there

that true
that's what I'm saying, the look on his face might have seemed like shock but he was just using his powers
shit, you better tell the foreman something good
you're saying the reason those super-hard pieces of metal didn't take him out isn't coincidence huh
Eh !?
miracle ?
I'm surprised you're still not convinced, don't you see that Kiyoma is the real miracle by rearranging those girders in mid air ?
of course, but know you'll be meeting a God and I'll be expecting a body guard for life
sure, but shouldn't you be hurrying to introduce us ?
wow
he is beginning to evolve we as humans to the next level
Mr Kiyoma is definitely the best
If you believe in spoon bending surely this isn't odd ?
and my research shows that this is similar
he he
you just made a face at us, brat I saw it, you're ballsy arent you..
oi kid, hold on a sec
eh ?

Quit it
!!
I'll show those dicks a thing or two
who the heck...just as we were about to meet Kiyoma..
No Mr Saejima
Get lost you loser punks
!!
you know what you started right ?
get your wallet ready
Don't you even know what that guy can do ?
we don't even know what you're on about
Aa ?
do you wanna get smashed !?
You, jerks, !!back off from Kiyo-ma or else
Aa ?
The thing is, he's right if you don't leave now, do you really wanna get a special delivery from me ?
hey, how about you show us a magic show and I'll let you live
You really think you've scared us don't you.
super natural ? what are you, retarded ?
stop, stay back, don't push it
Don't you know he's super-natural and he can squash you in two seconds, huh ?
unless you wanna keep goin and see it happen ?

*krush*
haha haha, that was a crappy joke man
Yeah, abra kadabra, bend us a spoon, or you can see my spoon in my pants
fine...I'll give you exactly what you asked
If you show off your powers publicly, it could turn out disastrously !!
Kiyoma please keep yourself in check !!
just don't piss your pants if you can help it
No!
?
Kiyoma, show them what they're dealing with !!
Haha, that's Kiyoma's power, I warned you ...
Oi, what is with the wind !?
!?
Can't you think of how many casualties there could be !?

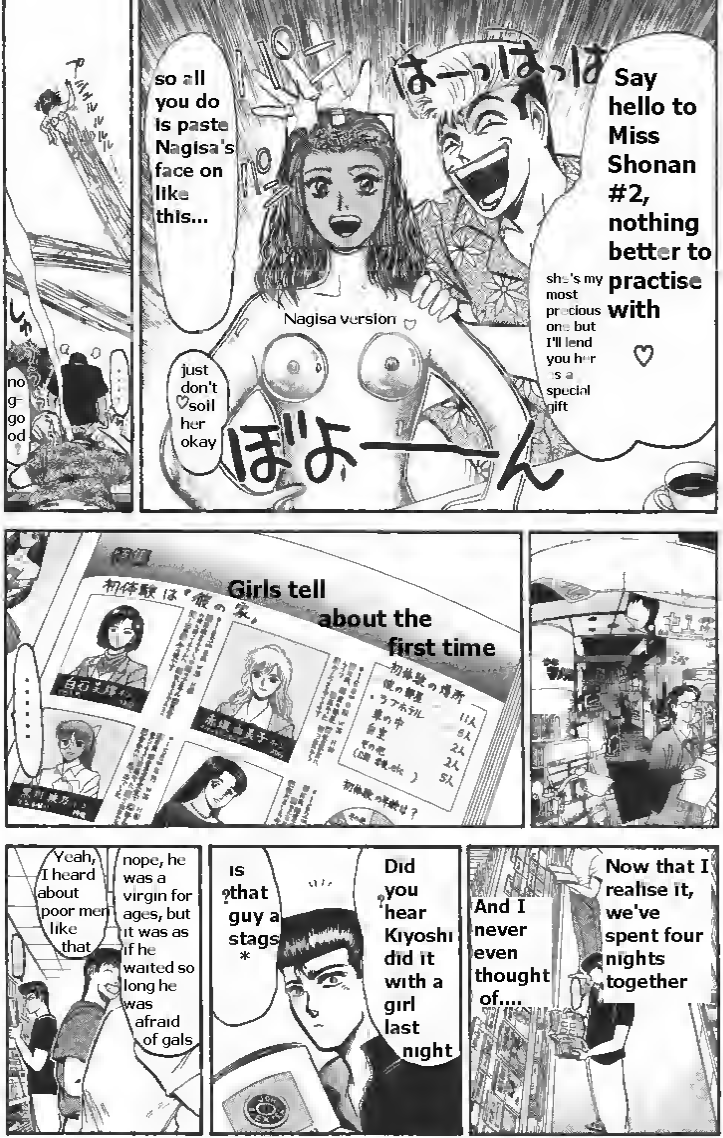
wow, you made break fast , where's sis
I think she went out, to work maybe
The way she's putting us up, I don't want to be a bother

so this is what it's like to live with nagisa for four days
So just wait, I'll get some great food ready
so you think you and the girl will be ok when Akutsu is free ?
Aaa
so three more huh
I'm gonna take care of her
*C-cough*
ok not as Nagisa, but if she turns back into Yasha, then there will be some trouble
I mean, isn't she Akutsu's girl ?
what ever the case

your first screw man, first screw !
you and Nagisa
eh ?
I see, guess how it is, you went and, yeah, it definitely has to be that like that...
You must know what I mean
I don't get what you mean by "went and"
four days with the girl, if you didn't it would be a laugh
But had to do it, you had to right ?
Shhh, not so loud man, are you nuts, people can hear you
Who the heck said anything about a first screw !?
Lucky bastard I envy you
and you're not THAT big of a chump, you must have
oh yeah, I've been living under the same roof for four days, sharing the bath, bed and I haven't even thought of that
do you mean you... you didn't
eh !?
oi what's with the weird face ?
we were going to lose our virginity together, but you just went ahead with this, dude hehe

Ryuji look away
I never even saw her in her panties and bra...I didn't watch her changing or peek at her in the bath
Chill out, I understand, I guess you're not exactly a pro at it
Oi, unlike you, I don't always think of the ONE thing
ahaha oh man, that's gold
eh ?
I know something you can have which will solve everything
krsh krsh
you've never done it before, and so you were nervous yeah? no problem
man, you're practically a national monument
here I was thinking that after four days you were so in with her and I was this big loner virgin, now here you are, a big stupid loner virgin part two



so all you do is paste Nagisa's face on like this...
Say hello to Miss Shonan #2, nothing better to practise with
she's my most precious one but I'll lend you her as a special gift
Nagisa version
just don't ♡soil her okay
no-good
Girls tell about the first time

And I never even thought of....
Now that I realise it, we've spent four nights together

why the hell do you think I've been coming home late, it was to give you two a chance to get acquainted and what a waste that was..
see, you're just too shy, you should be the same way with girls you are with guys
you don't know every thing

She went through alot of pain in HER past

yep, but I need to make a pit stop first...
there's some- thing I'm looking for

Akutsu from 2nd gen...
One thing that I really need to get my hands on
yeh, surely you'd be able to round up 40-50 guys?
hmm so you want us to meet him Takada
and he's gonna revive the mid-night angels
Yeah, word is, he's now free
However, if Akutu is really on the move, we can't let him do as he pleases!
I know. I under-stand
. . . .
we're retired 3rd gen and you want a battle reunion?
just think about how old the 2nd gen guys are, it won't be easy

heh, I suppose so
Don't we owe that to Mr Masaki?
but you've said the name "Masaki" we can't refuse now...
the thing is, we're working now... and we don't wanna be like no hopers again
let's just think of it as an amusing event, an old school reunion
Second gen Akutsu
of course Doboku
just know it'll get deadlier than it ever has been before Takada
eh?
don't be a douche, cars don't have the same feel
I like cars more now
time to be wild and free again
we should get back in an old time mood for the sake of it, and I haven't been on a bike in ages anyway

you were the vice head of midnight angels 3g
Kazuo Doboku if I remember right
?
wait Is that... A-aku -tsu !?
!!
what ?
you clearly think you're big
bastard !!!!!!
there's some-thing I'm looking for see..
I need to ask you dudes a ques-tion, that's all

what a shame, now he can't talk cos of all that blood!
JUN CHI
time to find out and pay him a visit I say, it'd be an offense for old friends to not show, he might blow his fuse
I wonder which hospital takada is in
!!
wha ?
ピチュ
true, but he's probably over hospital food by now
It'd be best to buy him some fancy fruit basket, he won't care, it's why they exsit

Six kids were assualt-ed
why are there officers up the yin yang now !?

Kamishima and Akutsu are part of this whole batallion trying to change history and Onibaku is two guys
can you help us Mr Nakajo, we're in a pinch and need more man-power
I'm only here to watch things burn and brush off some of the sparks
Unlike Oni-baku, I don't stop fights to the death
Relax, they're sure to wake up to the clever way of doing it
Mr Na-kajo ?
I don't think I'm telling you anything you already don't know right ?
I prefer to let the chaos take its course, then take out the survivors
Yeah, some thing he can'l be the real leader with out
some thing he's craved ?
a thing he has craved for a long time
Tell Oni-baku there is some-thing Akutsu's looking for
eh ?
By then, circum-stances could change the game

what
there was another reason for the shonan war ?
In fact, the article in question was the whole reason for the Shonan war in the first place
Even if it means killing a bunch of people along the way
Do you know ?he'll do whatever it takes to get that thing in his hands
I wore a 3rd gen leader hat once, but I retired
